

VOSHA Penalty Adjustments for 2023

Background

§ 210. PENALTIES

(9) (A) As provided under the federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 and the Act, the penalties provided in subdivisions (1), (2), (3), (4), (5), and (8) of this subsection shall annually, on January 1, be adjusted to reflect the increase in the Consumer Price Index, CPI-U, U.S. City Average, not seasonally adjusted, as calculated by the U.S. Department of Labor or successor agency for the 12 months preceding the previous December 1.

(B) The Commissioner shall calculate and publish the adjustment to the penalties on or before January 1 of each year, and the penalties shall apply to fines imposed on or after that date.

How To Avoid VOSHA Penalties

- ▶ The best way for employers to avoid exposure to increased VOSHA penalties is to proactively address workplace hazards **before** a VOSHA inspector arrives at the work site:
- ▶ **CONTACT THE CONSULTATION SERVICES DIVISION, Project WorkSAFE**

Project WorkSAFE

- ▶ The Vermont Department of Labor offers **free On-Site Consultation Services** to help employers better understand and voluntarily comply with VOSHA standards. Priority is given to high hazard workplaces with **250 or fewer employees** and all services are offered to employers at no cost.
- ▶ On-Site Consultation Services helps employers identify and correct potential safety and health hazards through walk-through surveys (**without citations or penalties**), provide abatement advice, provide on-site training, and provide **program assistance to develop safety and health programs.**
- ▶ Additional information about On-Site Consultation Services can be obtained by contacting the Vermont Department of Labor, Project WorkSAFE at <https://labor.vermont.gov/project-worksafe> or by calling toll free 1 (888) 723-3937
